

WEEKLY NEWS

Learn | Create | Explore

Dates at a Glance:

Nov. 18-22 Conference Week; early dismissal all week 11:50am (AH)

Nov. 21 - Scholastic Book Orders Due

Upcoming Birthdays:

Leila - Nov. 12th

Homeplay:

Math game: *practice "quick math" (+/-): ask your child a series of addition or subtraction problems under 20. Ex: 13-4, 6+5, 12-6, 7+7...*

Spelling: **No** spelling **test** this week because of the short week

Daily Reading + Seesaw Challenge (due at noon on Wed. next week)

Geology

This week we'll be starting our amazing unit on Geology. Over the next few months, the kids will learn all about the layers of the earth, the rock cycle, plate tectonics, earthquakes and volcanoes, and more.

Seesaw

For those of you who have not had time to get on Seesaw much this trimester, please take 20-30 minutes sometime before your child's conference to check out and catch up on all of the amazing learning going on here in Room 26. Each child is currently working on a 'secret' project to share and highlight their learning over the last three months (coming to you soon).

Looking Ahead...Read-a-Thon

Please mark your calendar for Friday, **Nov. 22nd**; it will be a special day at school! Ada Harris will be hosting "Favorite Character Day" as well as a *Read-a-Thon*. To make silent reading time cozy that day, your child is welcome to bring a small pillow. Room 26 will have a deep dive into quiet reading time as well as a couple of picture books as a class. We love reading!

Looking forward to seeing everyone at conferences next week. Thanks in advance. ~ Ms. Boyesen
