Words with sh, ch, wh,  
th (Look Out! for 'sure'  
and 'catch')

Daily Reading + Seesaw  
Challenge (due end of  
Tues. each week)

## Performance

Great job singing Mr. Bones at the assembly!  
Can you now find the sternum, patella, humerus? I bet you can!

## Guest Speaker

This Friday Nov. 1, Dante's dad, Bill Wintermintz, will visit our class and share his expertise on fixing broken bones (he's a surgeon). How perfect! Right after our Mr. Bones song, Halloween, and learning about animal bones with *Mystery Doug*. I love it when a plan comes together...

## Inspirations

*"Autumn carries more gold in its pocket than all the other seasons."* ~ Jim Bishop

## Conferences

For fall conferences, it will be you and I (parents and teacher), and then in the spring, I'll encourage you to bring your child to the conference. Please be on the look-out for an email notification with the conference sign-up. I'll send out the link this **Wed. Oct. 30 at 11:00am**. If you have limited availability in your schedule, I suggest you sign up right away.

## Our Amazing Class

Your kids are so inquisitive and amazing! They're cohesive as a class and are making such great connections between the academic content intertwined with the weekly 'big word' vocabulary.

We had a GREAT day on Friday (Crazy Hair Day). Truth-be-told, Crazy Hair Day has historically not been my favorite day because, well, it's usually pretty CrAzY. But Friday was full of learning and fun at the same time. And, wow, parents! You are getting so crafty and clever with the Crazy Hair ideas and designs :)

Have a safe and happy Halloween! ~ Ms. Boyesen
