Collecting Words

Last week, we read a book called *Max's Words* which inspired us to become word collectors ourselves. With scissors and magazines, we set out to cut, collect, and arrange our words into poems. The finished product will become the cover for our poetry anthologies that we use all year.

Constitution Day

Next Wednesday, Sept. 11, is Patriot/Constitution Day at both schools, and are you ready for this?!? The whole 2nd Grade will be performing the song *The Preamble* for the rest of the school! First thing in the morning. Please join us on the blacktop if you wish. We'll be practicing in class this week.

We're off to a great start this year! ~Ms. Boyesen
