Math game: *Turn Over Ten* (plus, math 'kits' coming home)

Spelling: week 1—short a sound (test Friday)

Reading Groups

Reading groups start next week for all 2nd grade students. We're so fortunate in Cardiff to have amazing reading teachers who work with your children in small groups at their reading level three days a week.

Math Fun

Your child is bring home their 'Math Kit' this week as well as their first math game. In class, we're working on Making Tens, knowing doubles, seeing numbers, and doing basic adding and subtracting.

Collecting Shoes

Thank you so much to those who already sent in gently used shoes for Emma's pop-up shop benefitting SD homeless mothers and kids. It's not too late! I'll be accepting donations through Friday.

Awards Assembly

Please note the date change for our first awards assembly. When your child is chosen to receive an award, I'll email you ahead of time to let you know.

Have a wonderful week everyone! -Ms. Boyesen
