

April 7, 2025

Dear Families,

I hope your Spring Break was filled with magical moments with family and friends!

Many thanks for making our Grandparents Day such a beautiful day! We had a great turn out! Everyone had a lovely time.

Thank you too for your support of this year's Book Fair! Mrs. Hagen does so much for our school and your support of the Book Fair means so very much to everyone. Thank you again.

The children's fish are hung and they are darling! If you haven't come in and seen them, come in, look up and take a peek. They are beautiful!

Our Letters of the Week will be 'S,s' and 'T, t'. We will continue singing The 3 R's by Jack Johnson. In our Writer's Workshop the children will be working together to create a class art project for the Ice Cream Social's Silent Auction. We will also start our Nature Masks project as we didn't get a chance before we left for Spring Break. In our Math Workshop we will take time for our number of days we have been in school, class calendar, iReady and math sticker problems.

This year's Jog-A-Thon will be held next Thursday, April 17th. The Kindergarten Jog-A-Thon begins at 8:30. We will need volunteers to help mark lap cards or perhaps you would like to participate by walking, jogging with your child. It's a fun time, so if you can join us, we'd love to have you.

Homework this week is the math page and personal reading.

Have a superbly terrific week!

Sincerely,

Danan McNamara
